

STATE OF WEST VIRGINIA

RANDOLPH COUNTY COMMISSION SS:

At a special session of the Randolph County Commission in and for the aforesaid County and State, at the James F. Cain Courthouse Annex, on the 27th day of November, 2019 at 10:00 a.m.

PRESENT: Mark Scott, President of the Randolph County Commission and Chris See, Commissioner thereof. Commissioner David Kesling was absent.

Meeting was reconvened by Commissioner Scott.

Commissioner Scott said Greylock pipeline had requested a hearing with the Board of Assessment and Appeals, which is the County Commission. The person that the board approved at a previous meeting to be the hearing examiner does not want to accept that position, Scott said. He said the person they approved felt like they had been out of law practice too long and could not do it. He said there still needs to be a hearing held but in order for that to happen we will need to do an extension.

Commissioner See moved to approve the extension of the Board of Assessments and Appeals hearing for Greylock Pipeline until the end of December, 2019.

All yes – Motion passed unanimously

Commissioner See moved to go into recess for the Board of Assessment and Appeals for 2019.
