

STATE OF WEST VIRGINIA

RANDOLPH COUNTY COMMISSION SS:

At a regular session of the County Commission in and for the aforesaid County and State, at the James F. Cain Court House Annex, on the 20th day of January, 2022 at 1:30 p.m.

Present: Randolph County Commission President, Chris See and Commissioners, David Kesling and Chris Siler.

Meeting called to order by Commissioner See

PUBLIC COMMENT:

Richard DeBias said he was there again to talk about body cams and wanted to make it crystal clear to everybody that anybody he mentions during his speeches, if they were sitting here right next to him in a chair he would say the same thing. If he makes some people upset he is not going to really apologize that's the way it's going to be. He said he thinks he sent some stuff to the Commissioners and Sheriff about body cams in Weirton. He said they are getting body cams over there and they are getting body cams all over the Country. He just feels there is a lot of money for body cams here and he just doesn't know the reason nobody is getting them. He said every time he brings it up he gets totally ignored, he has tried for over a year he said. He said he personally feels there is a little bit way too much favoritism to the law enforcement, that's his opinion, with exception of Commissioner Siler who he said he does not have a grievance with and does not know who he is. He said the Sheriff has been the most transparent guy he has dealt with in the over 21 years he has been here. He has to give him credit for that. He said the rest of the people he has dealt with in the past have been totally incompetent, most of them are just there milking the system and for free publicity. He said it seems like out there in the community since he got hurt, and had to deal with it, before he didn't bother anybody, 50% of the population is barely surviving in Randolph County other 40% don't care and the other 10% are right here in town and all stick together. He said everybody is aware of what happened to him, Talkington, Knotts and Pennington came to his house. He said Talkington came in there with an Agenda, he doesn't know what his purpose was or why he had anything against him, but he did. He said he got a charge he shouldn't have got and his family got harassed. He said he doesn't know how many other people he has done that to. He said he went across the street to Magistrate Dyer and Shepler and they all stick together then he went to the Prosecutors who helped them, Parker and Poling, which he doesn't even know how they have a law degree, either one of them, but he guesses they do. He said if any of these people were in the real justice system they wouldn't even be relevant. He said they all rounded the wagons and stuck it to him. He said that's why he keeps coming back. He said he will keep attending meetings and trying to get the body cams and he will keep telling everyone he can about the injustice system here in Randolph County. He thanked them for their time and attention.

MINUTES:

Commissioner Kesling moved to approve the minutes from the regular meeting that was held on January 7, 2022, as submitted. All yes – Motion passed unanimously

REPORTS:

Rhett Dusenberry from Congressman Mooney's Office was present. He congratulated Commissioner See for becoming the County Commission President for 2022. He said the Congressman is always ready to do letters of support for any grants they want to apply for. He said to be safe on the roads in this bad weather. He also said the Sheriff is doing a good job.

Randolph County Sheriff, Rob Elbon gave a year- end report. He said he wanted the Commission to know they did apply for a grant for body cams but were denied. He said they had Peggy Ross help them with it and send it in but it was denied. He said they will look again to try to find something for body cams. He said for January 1, 2021 to December 31, 2021 they answered 5,233 calls last year. He said they investigated 463 cases, 715 offenses from those 463 cases. He said there were 569 misdemeanors

and 146 felonies. They arrested 215 individuals with 339 offenses. He said they made 62 drug arrests. He said there were 273 collisions with 176 accident reports done and 97 were with driver exchange of insurance information. He said they made 1,296 traffic stops last year with 314 citations issued with 394 violations and 360 were given warnings. He said the deputies did 172 civil process and 69 writs of execution and 103 misdemeanors. He said they did 76 transports last year with 27 of those being mental hygiene. He said total activity with traffic stops and everything was 6,529 that the Sheriff's office investigated or was involved in. Commissioner Kesling said Thank You to the Sheriff and said that he will never say he is sorry for supporting him or his deputies. He said until someone walks in their shoes and sees what they have to go through on a daily basis and that is why he will always support law enforcement. Sheriff Elbon said he and his deputies appreciate the Commission's support and they have been good to them and the public can see that and from that you can see the activity that comes from having the equipment and tools they need. He said these guys are dedicated, they love this County and they love the people in this County, and will continue to work to do the job.

Randolph County Clerk, Brenda Wiseman reported that the filing period for candidates wishing to run in the 2022 Election is now through January 29th. She said her office will be open on Saturday January 29th from 9:00 am to 12:00 pm for candidate filings. She said after that the certificate of announcement would need to be postmarked by midnight on January 29th to be accepted.

Commissioner Siler reported on behalf of Curt Gainer from the Randolph County Emergency Squad. He said Curt called him this morning and said he could not be here today because of shortage on manpower. He said they are out almost 50% with COVID. He said Curt said he needed to help with the calls instead of coming to the meeting today.

Sheriff Elbon said they have 1 out with COVID.

CORRESPONDENCE: None

ANNOUNCEMENTS:

Commissioner See announced that the next meeting of the County Commission will be held on February 3, 2022 at 1:30 p.m.

ITEMS FOR DISCUSSION/ ACTION:

INFORMATIONAL PRESENTATION AND FUNDING REQUEST FOR EHS PROJECT SAFE GRADUATION

(See copy attached)

Angie Goff, GFWC Junior Woman's Club President, appeared before the Commission. She said this will be the 38th year for EHS project safe graduation. She said last year it was held at the Phil Gainer Center and it was great. She said they did a fire pit and the students loved it. She said they tried to keep everything local because of COVID. She said last year it cost \$16,000.00. She said they encourage the public to come and help them. She said there are only 8 of them doing the entire party. She said law enforcement and fire departments come and help them and they say they would rather be there than pulling the kids out of a wrecked car later. She said they would like to get a wrecked car and put it in front of the schools to show what could happen. She said attendance is usually about 50% but they want it to be higher. She said she always tells the story of how her classmates died. This year it will be held on May 27, 2022 at the Phil Gainer Center. Commissioner Siler moved to approve \$2,000.00 from courthouse contractual funds to EHS Annual Graduation Party. All yes – Motion passed unanimously

INFORMATIONAL PRESENTATION AND FUNDING REQUEST FROM KITTEN HOLLER

(See copy attached)

Abigail Hohn appeared before the Commission. She said she has started an animal rescue group based in Mill Creek and serving southern Randolph County. She said they are trying to get 501C3 status to be a nonprofit organization. She said Kitten Holler's mission is to help cats and humans in Randolph County by reversing the population growth of feral cat colonies, reducing death and suffering of homeless cats, finding adopters for kittens, and helping community members attain affordable veterinary care. She

said the funding request is in the amount of \$600.00 and that is the cost of the application to become a registered 501C3 nonprofit. She said once they become a registered 501C3 nonprofit organization they will be able to apply for dozens of national and regional grants. She said they trap feral cats and take them to the vet and have them spayed or neutered and then turn them back out where they were found. She said as for the kittens they try to get people to take them in and foster them or adopt them. She said in 2021 they had 42 cats spayed or neutered and 15 kittens adopted. She said so far this year they have had 7 cats spayed or neutered. She said right now they are paying for it through go fund me donations and she has also spent quite a bit of her own money. Commissioner Kesling moved to approve the funding request of \$600.00 to Kitten Holler and that is to be taken out of courthouse contractual funds. All yes – Motion passed unanimously

INFORMATIONAL PRESENTATION FROM ERNIE GEORGE REGARDING HIRING A DEBT COMPANY TO COLLECT FIRE FEES

Commissioner See said this is not ready yet and they are still working on it. Commissioner Kesling moved to table Item C. All yes – Motion passed unanimously

CONSIDER SIGNING LETTER OF SUPPORT FOR RANDOLPH COUNTY DEVELOPMENT AUTHORITY

(See letter attached)

Commissioner Kesling said he was contacted by Robbie Morris, Executive Director of the Randolph County Development Authority, about doing a letter of support for their grant application for the "Travel, Tourism & Outdoor Recreation" program. This is for an even/conference center at the railyard in Downtown Elkins. Commissioner Kesling moved to approve the signature of the President of the County Commission, Chris See, on the letter of support for the Randolph County Development Authority, as presented. All yes – Motion passed unanimously

CONSIDER SIGNING LETTER OF SUPPORT REGARDING BROADBAND

(See letter attached)

Commissioner Kesling said he was contacted by Robbie Morris regarding this grant application also. This is for expanding broadband access in Randolph County. Commissioner Kesling said this is a big project in the State and Randolph County. He said having good reliable broadband helps bring people and businesses into the County. Commissioner Kesling moved to approve the signature of the President of the County Commission, Chris See, on the letter of support for expanding broadband access in Randolph County, as presented. All yes – Motion passed unanimously

CONSIDER HIRE OF COURT SECURITY OFFICER

(See copy attached)

Sheriff Elbon said he would like to request the hiring of Richard Cox as a full time benefited Court Security Officer. He said Mr. Cox currently works at the 911 Center as a dispatcher. Sheriff Elbon said he doesn't think Mr. Cox needs to do a probation period since he already works for the County. He would like for him to begin working on February 7, 2022 with a starting pay of \$26,644.80 annually. Commissioner Siler moved to approve the hiring of Richard Lee Cox as a full time benefited Court Security Officer with starting pay of \$26,644.80 annually and to begin working on February 7, 2022 with no probationary period. All yes – Motion passed unanimously

Sheriff Elbon said his process server, Dave Teter, is retiring after 26 years and he will be having the Court Security Officers help with serving papers.

CONSIDER APPROVAL OF REAPPOINTMENT TO RANDOLPH COUNTY HOUSING AUTHORITY BOARD

(See copies attached)

Commissioner Kesling moved to approve the re-appointment of Cynthia Jividen to the Randolph County Housing Authority Board for a five year term beginning on February 1, 2022 and ending on January 31, 2027. All yes – Motion passed unanimously

Commissioner Kesling moved to approve the appointment of Mike Bell to the Randolph County Housing Authority Board for a five year term beginning on January 1, 2022. All yes – Motion passed unanimously

CONSIDER APPOINTMENT OF BALLOT COMMISSIONERS FOR THE 2022 ELECTION CYCLE

(See copies attached)

County Clerk, Brenda Wiseman said this is something we have to do every election cycle and the ballot commissioners are chosen by the executive committees. She said they check the ballot for any typos before it goes for final printing and they also oversee everything on election night. Commissioner Kesling moved to appoint Sandra Hogan as the Republican ballot commissioner for the 2022 election cycle, as submitted. All yes – Motion passed unanimously

Commissioner Siler moved to appoint Patricia L. Rossi as the Democrat ballot commissioner for the 2022 election cycle, as submitted. All yes – Motion passed unanimously

FINAL SETTLEMENTS/ANNUAL ACCOUNTINGS:

Commissioner Kesling moved to approve the final settlements/annual accountings on the following (3) estates, as submitted.

Almira J. Conrad

Rita Beatrice Nestor

Shawn Michael Price

All yes – Motion passed unanimously

BUDGET REVISIONS: (See attached copies)

Commissioner Kesling moved to approve an In House budget revision in the amount of \$2,000.00 for the Sheriff's Office for uniforms. All yes – Motion passed

Commissioner Kesling moved to approve a State budget revision in the amount of \$100.00 for the property enforcement line. Commissioner Kesling voted yes, Commissioner See voted yes, Commissioner Siler voted yes – Motion passed

DIVISION OF PROPERTY/ERRONEOUS ASSESSMENTS:

Commissioner Siler moved to approve the divisions of property/ erroneous assessments, as submitted. All yes – Motion passed unanimously

DISTRESSED PROPERTIES:

Commissioner Kesling moved to approve signature on 6 distressed property letters, as submitted. All yes - Motion passed unanimously

FIRE FEE ADJUSTMENTS:

Commissioner Kesling moved to approve fifty (50) fire fee adjustments, as submitted. All yes – Motion passed unanimously

PAYMENT OF BILLS:

Commissioner Kesling moved to pay the bills, as submitted. All yes – Motion passed unanimously

ADJOURN THE MEETING:

Commissioner Kesling moved to adjourn the meeting. All yes – Motion passed unanimously

2022 EHS Project Safe Graduation Party
c/o GFWC Junior Woman's Club of Elkins
PO Box 505
Elkins, WV 26241
email: ehsprojectsafegraduation@yahoo.com

January 1, 2022

Dear Elkins/Randolph County Area Organizations and Businesses:

In 1984, a tragic accident killed an Elkins High School graduate only hours after his graduation. In 1985, an all night, supervised graduation party was started to ensure that this never happened again...

For many years, the GFWC Junior Woman's Club of Elkins, Inc. has carried on the tradition of the all night graduation party, which will be held at the Phil Gainer Center. The goal of the party is to give all graduates a safe, but fun way to spend the night of their graduation. This party depends solely on the donations of local organizations, churches, and businesses. This marks the 37th Anniversary of the EHS Project Safe Graduation Party and plans are already in motion to make this year's event the biggest and best ever! We have found that enjoyable entertainment and quality prizes are the best incentives for the seniors to come and stay at the party. We have been very successful with this party in the past, as every graduating senior left the event with a prize. Based on that information and the fact that we have planned more great entertainment, we expect record participation this year!

Graduation has been set for Friday, May 27, 2022 and any help that you could give us would be appreciated. We do realize and take into account the state of the economy and are making every effort to plan this party accordingly. If your organization could make a monetary donation, hold a fundraiser which would benefit the party (such as a bake sale, raffle, etc.), donate door prizes or food, or simply "pass the hat" at your meetings, it would give us a great start in our efforts to fund the party. We would gladly come to pick up your donation, or you could simply mail it to the EHS Annual Graduation Party c/o Angie Goff at PO Box 505 Elkins, WV 26241. Due to banking policies, all checks must be made payable to EHS Annual Graduation Party.

If the COVID 19 virus plays havoc on graduation again, our plan is to get the registering seniors Walmart gift cards along with a gift from the Junior Woman's Club if we cannot have the party. If we are allowed to have the party for them, then the traditional prizes will be bought for them.

This party is a huge undertaking for an organization of 10 young women. However, it is an event that the GFWC Junior Woman's Club of Elkins is determined to continue. With that being said, we are looking to not only make this a Junior Woman's event, but make it a community event by including the local Fire Departments, the EHS Alumni Association, the local and state police departments, and the local emergency squad, just to name a few. Many of our members have attended as students over the years, and it is a project that is very near and dear to our hearts. We would happily answer any questions which you may have, as this project means so much to our club and our community. Thank you in advance for your time, support, and kindness.

Sincerely,
Angie Goff

KITTEN HOLLER RURAL WV TNR

Dear Randolph County Commission,

Kitten Holler is a newly formed animal rescue group based in Mill Creek, West Virginia, and serving southern Randolph County. We would like to request that the Randolph County Commission fund our application with the IRS to become a registered 501 c (3) nonprofit. The cost of the application is \$600. The benefit to the community will greatly exceed the initial cost of registering with the IRS.

Kitten Holler's mission is to help cats and humans in Randolph County by reversing the population growth of feral cat colonies, reducing death and suffering of homeless cats, finding adopters for kittens, and helping community members attain affordable veterinary care. To meet these goals, we conduct trap-neuter/spay-return (TNR) of feral cats. We also rescue and socialize kittens for adoption.

Once Kitten Holler has become a registered 501 c (3), we will be able to bring funding into the county to address a problem that the community cannot afford to address on its own. Dozens of national and regional grant opportunities are only available to registered 501 c (3) institutions. We are confident that we will win several grants because our director, Abigail Hohn, has an extensive record of writing successful grant proposals, including winning two grants totaling \$33,000 for the Elkins-Randolph County Public Library in 2021. Kitten Holler will also be able to attract more substantial private donations as a 501 c (3).

Since forming in September 2021, Kitten Holler has relied on community donations and assistance from the Randolph County Humane Society. We have spayed/neutered over forty cats in Mill Creek, Beverly, and Elkins. Of those, fourteen were kittens who were rehabilitated and placed with adopters, five were pets whose owners needed financial assistance, and ten were feral cats who were relocated to barns. The remaining were feral cats returned to the area where they were trapped in accordance with accepted TNR practices. The Humane Society sponsored sixteen of those surgeries before running out of funds.

At the moment, Kitten Holler has a waitlist of over forty outdoor cats who need to be spayed/neutered, and there are several reports of large colonies that still need to be investigated. Our goal in 2022 is to maintain the same rate and spay/neuter 120 cats in Randolph County. The surgeries alone would cost approximately \$20,000. To cover this expense, Kitten Holler must be able to apply to grants open only to 501 c (3) nonprofits.

Benefits to the Randolph County community greatly exceed the initial cost of spaying/neutering 120 cats. Less property damage will be caused by cats, specifically females burrowing under structures to give birth. Smaller feral cat populations mean fewer birds killed by cats for food. Additionally, the Randolph County Humane Society will receive fewer requests to take in cats they do not have room to house. Finally, residents will not be as hard pressed to cover the cost of feeding homeless cats or their own pets birthing litters every year. Kitten Holler is an animal rescue group, but we care deeply that our services help our community, as well.

Thank you for taking the time to review this proposal.

Sincerely,

Abigail Hohn

January 6, 2022

Robert L. Morris, Jr., Executive Director
Randolph County Development Authority
Elkins, West Virginia 26241

Dear Mr. Morris,

On behalf of the Randolph County Commission, I write to pledge our full support for your grant application to the U.S. Economic Development Administration's "Travel, Tourism, & Outdoor Recreation" program. The "Randolph County Tourism Revitalization" project would be a significant boost to our tourism economy.

During the pandemic our hotel/motel tax collections have been down by nearly thirty percent. Having an event/conference center in the heart of the historic railyard in Downtown Elkins is just the catalyst our county needs to not only help our struggling tourism businesses, but also grow the tourism sector back stronger than before the pandemic.

We have full faith and confidence in the development authority's ability to bring this project to fruition. Your development of the historic railyard, which includes the restoration of both the railroad bridge and depot, has made it possible for the Durbin & Greenbrier Valley Railroad tourist trains to bring thousands of tourists each year. The addition of this event/conference center will complement our other amenities and attractions very nicely.

The Randolph County Commission stands ready, willing, and able to assist and support this project in any way we can. Best wishes for a successful grant application.

Sincerely,

A handwritten signature in black ink that reads "Christopher See".

Emiel Butcher, President
Micrologic, Inc.
P.O. Box 328
Buckhannon, West Virginia 26201

Dear Mr. Butcher,

On behalf of the Randolph County Commission, I write to pledge our full support for your grant application to the State of West Virginia Broadband Investment Plan's "Major Broadband Project Strategies" program. Expanding broadband access in Randolph County is very important to us and we appreciate your interest and investment in our county.

As you know, broadband is a critical piece of infrastructure to sustain and grow economies and communities in the 21st century. Grants like this make it possible for a county the geographic size of Randolph, that consists of 1,040 square miles, to get that critical infrastructure to our citizens. Being a large geographic county provides a variety of challenges for our citizens from healthcare, education, and communication standpoints. This grant would provide a service to healthcare centers, schools, businesses, libraries, community centers, emergency response centers, and other critical facilities. Most importantly, it would provide service to all of the citizens that rely on the aforementioned organizations, services, or businesses.

Randolph County is the economic hub of this region of West Virginia. Davis Medical Center, the Monongahela National Forest headquarters, federal courthouse, and numerous businesses all call Randolph County home. The growth potential is already here, but lack of reliable, affordable, and quality broadband is a major impediment to seizing on this growth potential.

Thank you again, on behalf of the Randolph County Commission, for seeking this grant to expand desperately needed broadband access in our county. If have any questions, need additional information, or if we can be of further assistance, please do not hesitate to let me know. Best wishes on a successful grant application.

Sincerely,

Christopher See

January 20, 2022

To: The Randolph County Commission
RE: Hiring Richard Lee Cox as a Court Security Officer

I respectfully request the approval to hire Richard Cox as a full time benefited Court Security Officer for the sheriff's office. If approved Mr. Cox's starting pay will be \$26,644.80 annually. Mr. Cox is currently a county employee at the 911 center and will not be on probation when he joins the sheriff's office staff.

Mr. Cox has multiple certifications, prior training and experience as a court security officer.

Mr. Cox is available to begin work with the Sheriff's Office on Monday February 7, 2022.

Respectfully,

Robert R. Elbon Jr.
Sheriff

Honorable Chris See, President
Hon. David Kesling, and
Hon. Cris Siler

Dear Commissioners:

I would like to recommend Cynthia Jividen be appointed to serve a full term on the Randolph County Housing Authority's Board of Commissioners. Ms. Jividen is serving out a vacated term and it ends as of January 31, 2022. Ms. Jividen's employment with the Randolph County Homeless Shelter, a key partner of RCHA, along with her depth of experience in the community will be valuable to the agency. She is an involved member of the local community and has expressed interest in, and been supportive of, RCHA's support services operations. I think she would make a powerful addition to the Board.

I have attached a copy of the current Board roster for your information. Thanks, as always, for your support. Please let us know if you need further information in order to fulfill this request.

Sincerely,

Graham Godwin
Executive Director & Secretary

Dear Commissioners:

In January of 2021, the Randolph County Commission appointed Mike Bell to serve the remaining year of Leesa Harris's term. The term ends December 31, 2021, and I am pleased to report that Mike is interested in being appointed to a regular, five-year term as a Commissioner of the Randolph County Housing Authority. The Board of Commissioners and I are requesting that the County Commission appoint Mike Bell to a five-year term beginning January 1, 2022.

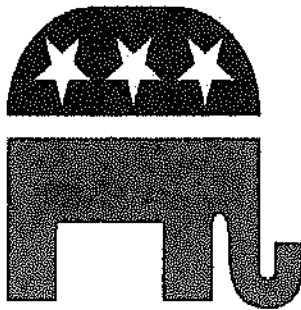

I've attached a copy of the current Board roster for your information. Thanks, as always, for your support. Please let us know if you need further information in order to fulfill this request.

Sincerely,

Karen Jacobson
